1.

All you requested, here are my recollections about Johannes Von Leeres

in irst word atouthin last June or July, when a diplomet said he so learn that with immer Mast editor was employed by the Information unincorrection as a subapenda consultant. I requested a report from the tartin locuments lanter, which was forwarded to you and the files.

The maxy time his name came up was when Bill Stavenson of the Toronto wear tracked him down to an office over Col. Ratem's in the Greeken Court Will like. For Lears professed to be a lorman free-lance journalist who nd just my ened to sit at a wacant deak wind Stevenson found bin. ttevenson had been titred at by summone on Von Legrat activities. the story then was that You weeks worked for the Egyptian State Broomcasting avatam as a special expert on programs directed to Israel.

ton Leave name came up about two weeks ago when adel Debet of the " clitical and Technonic Newton", canually mentioned him at a dinmer . certy. Esbet said You Lears asked him for some extra work and represented himself us a German free-lance. Sabat wentioned that Fon Lears was reported to be an ex-dast propagandist, "but these people area't important anymere". Y thousant fighet believered the point a bit, perhaps for my benefit.

as bent I om: recall Von Leers, a man in his 50's, had extensive experience as a propagandist in this der any. Among other assignments, he was at one time tie editor of "Des Schearse Korps", the official un, arine of the SS. He is believed to mave fled to Argentina after the war, re sining there until the fall of Peron. One report I got from an American nowmpaperven was that Fun Lucra had been respected by the Rayptions in Busmos Aires, and that other mixilar types were believed to have toer hired at the same time.
